**Hello neighbor,**

**I would like to take this opportunity to introduce myself. My name is Noel Gordon, chairperson of the Delray Villas Plat 4/5 "That's What Friends Are For" committee. Many members of Plat 4/5 put this committee together after hurricane Irma several years ago. We are seeking block captains to assist those in need, with an emphasis on the aged and the physically impaired, in the event of an oncoming hurricane.**

**For those homeowners requesting assistance, we provide the following assistance free of charge, providing that such assistance does not compromise the safety of, or liability to, the assistant/block captain.**

### **Pre-Hurricane**

- 1. Close/lock first floor accordion type shutters.**
- 2. Will assist if needed to help secure any porch or outdoor items by moving them indoors.**

### **Post-Hurricane**

- 1. Reopen all first-floor accordion type shutters.**
- 2. Assist (if needed) putting debris into a trashcan (to be provided by homeowner) then moved to a trash removal area to await pickup. We do not remove large items, such as construction debris, fallen trees, or damaged cars, nor do we activate generators. That is the responsibility of the homeowner.**

**If you are interested in volunteering to be a block captain, please contact either myself at 201-310-8626, or Sam Fleishman, at 410-493-7842, or Bill Yesowitch, at 502-905-7973. We will assign block captains their coverage areas once we determine how many volunteers we have.**

**THE ARCHITECTURAL COMMITTEE MEETS TWICE A MONTH TO REVIEW ALL APPLICATIONS. THE TWO DATES THIS MONTH ARE:**

**MAY 1st**

### **DID YA KNOW?**

**We have a new option for our driveway projects!**

***Did ya know: you can use paint, sealer or granite grip! Granite grip is a slip resistant application for your driveway. (Home Depot did a presentation last year and stated that this product should be installed via a professional contractor). Please make sure if you decide to use this that the installer has used it before. You may choose any installer you like it is your preference.***

**There are 5 approved Granite Grip colors:**

**(#655 Tan) (GG-13 Pebble Sunstone) (GG01 Slate Ivory)  
(#650 Gray) (GG-17) Mineral Gray**

**Please understand this is just another option, you DO NOT HAVE TO USE THE GRANITE GRIP PRODUCT. YOU HAVE A CHOICE!**

### **Alliance of Palm Beach County**

***Did ya know: The Alliance of Delray Meetings are open to all residents of Palm Beach County at South County Civic Center. 16700 Jog Road, (opposite Morikami Museum & Gardens) Delray Beach, Florida 33446. Come out and attend and find out all the wonderful things and information we need to know in Palm Beach County!***

***Palm Beach County Sheriff's Dept.***

***Did ya know: PBSO wants you to take your valuables out of your car and lock your car doors at all times. There are many robberies that are occurring throughout Palm Beach County. PBSO wants you to take precautions and protect your property and to always be aware of your surroundings at all times.***

### **Birthday and Anniversary Greetings**

## In Celebration of Mother's Day

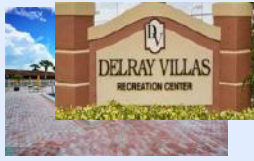

### Your mother

**is always with you. She's the whisper of the leaves as you walk down the street, she's the smell of certain foods you remember, flowers you pick, the fragrance of life itself. She's the cool hand on your brow when you're not feeling well, she's your breath in the air on a cold winter's day. She is the sound of the rain that lulls you to sleep, the colors of a rainbow, she is Christmas morning. Your mother lives inside your laughter. She's the place you came from, your first home, and she's the map you follow with every step you take. She's your first love, your first friend, even your first enemy, but nothing on earth can separate you. Not time, not space... not even death.**

## DV's Biggest Gym : The Pool

It's perfect for seniors since you can "DIY" for your own comfort level. Of course, always check with your doctor before beginning any exercise program.

What you choose to do can be as easy or strenuous as you select.

**Best reasons to use the pool for exercise?**

- 1- It's fun & feels good! Spread happiness by asking friends to join you!
- 2- Water helps cool your body while exercising in our hot Florida climate.
- 3- Reduced joint impact makes this a safer exercise experience.
- 4- As any exercise reduces stress, our pool is convenient, fun & relaxing.
- 5- No equipment needed!

**What to do?**

Water walking is a great start! Waist to chest deep, simply walk at your own pace across the pool. For added benefits, swing your arms in the water. Change it up by walking sideways.

**Leg swings:** Hold the pool edge and swing your legs.

**Swim!**

Pretend you're playing golf or tennis in the water, no equipment!

Dance to the music playing over our speakers.

Stand and twist. Do jumping jacks in the water.

**With equipment:** Your pool noodle ....Aquatic dumbbells and Resistance bands....

Flutter kicks (hold your noodle and kick!) See you at the pool!

**Lets, all stop wasting water. With the drought doing a number on our favorite plants and shrubs, start using household water. Use a bucket in the shower to catch water as it's getting warm. Put a basin in kitchen sink and use the water as you're washing dishes. Just an idea. We've been doing this for a very long time. My flowers seem to be enjoying the extra water. Patti Lazaroff**
